Terracotta  
& Accessories

**Our Terracotta Collections** allow you to choose from two distinct series of pottery. German Terracotta, which is our premier line, is considered the world's finest pottery. Crafted from finely filtered red clay, chocolate clay or marbled clay, these pots are high fired and have a smooth texture. However, if your customers desire old world elegance, our Italian Terracotta is the perfect series. This classic terracotta is also high fired, but has a rough texture.

We also offer a wide range of accessories to complement all of our pottery. Our line features everything your customers need, including high quality clear vinyl saucers, cork mats, carpet saver saucers and plant trays.

- Considered the world's finest terracotta pot
- High fired
- Crafted from finely filtered clay
- Smooth texture
